Please let us know whether or not you are coming (members and spouses only) and whether you will be bringing a game or meat dish, salad, vegetable, or dessert. You can leave a message on our answering machine if we are not home.

Also, please bring your own soda, beer, or drinks. Plates, utensils, cups, napkins, and coffee are provided. Try to make this meeting, for we need to discuss new ideas and wildlife plans. Wives are encouraged to attend.

HUNTING DATES

October 2 - Saturday at 9 a.m.
October 23 - Saturday at 9 a.m.
November 13 - Saturday at 9 a.m.

Please let me know how many pheasants you want ordered. Pheasants are \$9.50 each. We will release them on the Thursday prior to the Saturday hunting date. If you want to help with the release, let me know. Many of you have already ordered and I need to know when you want your birds released.

BUTTONS

Buttons will be distributed at our September 9th meeting.

POND

We recently released two ten pound catfish in our pond on Van Dyne Creek. If you happen to catch one of them, please release it, for they help clean up the water. We now have a dock there for your use.

PARKING

When hunting, please do not park by the pond.
